

# The Miravet Deluxe

## Floor Plan

Floorplan based on Deluxe Specification

Sovereign Building Company is proud to present The Miravet as part of its range of prestige homes that incorporates many superior features that are seldom found elsewhere.

Envisioned by innovators and finished by craftsmen, it is a flexible design which allows you to make changes that will help you create your perfect home.

The Miravet is an elegant and contemporary concept home that abounds with style, space and function.

Its elegance is accentuated by many special design features and creates a perfect balance between size and practicality for the modern family.

Like the medieval castle this home was named after, this home will stand the test of time and provide a spacious, comfortable living environment for many years to come.
