RECOMMENDED FINANCE PARTNER

Sinai Finance Group was founded on the cornerstones of integrity, honesty and efficiency. We want to work with you to help you achieve your personal goals without the stress that usually comes with it. For some, it’s purchasing their first home; for others, it’s looking for ways to fund their next investment. We will work with you every step of the way to make the process clear, straight-forward and pain-free.

YOU HAVE QUESTIONS – WE HAVE ANSWERS

A major barrier for most home buyers is knowing where they stand. How much can I borrow? What will my repayments be? How much deposit will I need? Should I go fixed or variable? Am I eligible for any grants or government assistance? Our team of experienced

consultants will guide you through the process from eligibility right through until settlement with regular progress updates. We empower you with knowledge and help you make the right decision that fits in with your goals, budget and lifestyle.

WHY CHOOSE SINAI FOR YOUR FINANCE?

“Sean and I were first home owners with little to no knowledge about the building and finance process or what to expect. Both of the teams at Sinai Finance and Sovereign Building have been extremely helpful, patient and an absolute pleasure to work with. 10/10 for the experience we’ve had and we will continue to recommend your services to others.”
